## GREATER NEW HAVEN, CONNECTICUT

♣ Sunday, March 13, 2022 ♣ Step off at 1:30 p.m.

**On behalf of the Greater New Haven St. Patrick's Parade Committee,  
it gives me great pleasure to confirm your participation.**

For your convenience, our Parade Orders will be published on the website,  
[www.stpatricksdaysparade.org](http://www.stpatricksdaysparade.org), and can be printed directly from the site. Please read and  
bring copies of the parade orders for the members of your organization on parade day.

**Please find attached letters provided for access to both the parking lot reserved for  
participating units and street access for vehicles participating in the line of march.**

Please use Granite Square Parking Garage at 690 State Street. In addition, for equipment  
trailers/larger trucks for units, we also have a surface lot at the State/Trumbull Lot (across from  
Good Fellas Restaurant.) and bagged meters and spots along State Street between Grove and  
Trumbull..

In response to requests from units, in addition to the Granite Square Parking Garage at 690  
State Street, we have gained permission to use Yale University Yale Lot #16 and Lot #22 ,  
located at the intersection of Whitney Avenue & Humphrey Street (GPS address: 230 Whitney  
Ave, New Haven CT 06511).

This lot should be used for marching unit participants who are single occupancy vehicles or  
overflow from the Granite Square Garage. We encourage all units to have their members  
carpool and members with heaviest or the majority of equipment to utilize the Granite Square  
Garage. Yale Lot #16 and Lot #22 are 1/2 mile from the end of the Parade or the Granite  
Square Garage.

**Shuttle buses will run from the Granite Square Parking Garage Street and Yale Lot #16  
and Lot #22 to the Parade staging area from 11:00 AM until 1:00 PM.**

**All units should arrive at their designated staging area no later than 12:30 PM**

**There will NOT be any shuttle buses returning to the parking lots or garages at the end of  
the Parade route.**

**Sláinte!**
